

REMARKS

Claims 8-14 remain in this application. The Examiner has acknowledged that claims 8-14 are directed to allowable subject matter.

In paragraph 3 of the Office Action dated December 17, 2004, the Examiner objected to the disclosure of the present application because it contains an embedded hyperlink and/or other form of browser-executable code. In response, Applicant respectfully submits that the three occurrences of this pointed out by the Examiner have been deleted pursuant to the present amendment.

In paragraph 4 of the Office Action, the Examiner objected to independent claim 8 of the present application because the last word "a" on page 12, line 30 should be changed to "the." Applicant respectfully submits that such change has been implemented via the present amendment.

In paragraph 5 of the Office Action, the Examiner objected to claims 9-14 of the present application because each of the claims should begin with "The" instead of "A." Applicant respectfully submits that all such changes have been made pursuant to the present amendment.

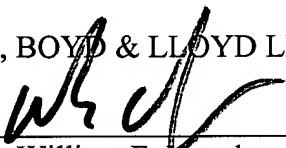

Given that all formal matters have now been rectified via the present amendment, Applicant respectfully submits that the present application is in condition for allowance. Accordingly, Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

It is further submitted that no fees are due in connection with this response at this time. However, if any fees are due in connection with this application as a whole, the Examiner is authorized to deduct said fees from Deposit Account No.: 02-1818. If such a deduction is made, please indicate the attorney docket number (0112740-157) on the account statement.

Respectfully submitted,
